Achieving Revenue Improvements through Charge Master and Charge Capture

In our session, we will cover the following:

Charge master and charge capture strategies to ensure optimal reimbursement under the Medicare OPPS system and for other third-party payors in the following clinical areas:

- Physical Therapy, Occupational Therapy & Speech Therapy
- Emergency Room
- Laboratory

Practical application of the concepts through group discussion and knowledge sharing by attendees

This is one program you and your staff will not want to miss!

Speaker Info

**Mike Kovar, Consulting Director
McBee Associates**

Mike Kovar is a Director in the Acute Care Division of McBee Associates and leads the Revenue Integrity/Optimization service line. He has over 30 years of experience in the health care industry focusing in the hospital provider areas and has performed over 500 charge master and charge capture assessments and implementations. In the last several years, he has also performed implementation and post-implementation Epic and Cerner charge optimization engagements and has brought on average over \$10.0 million in additional net revenues per client. Mike has both operations and consulting experience focusing primarily in the regulatory, billing/coding, and compliance areas. Mike presents for HFMA nationally on a number of different revenue related topics including HFMA's Charge Master Essentials and Achieving Revenue Improvements through Charge Master & Charge Capture classes.
